## Bienvenue au Championnat féminin de rugby du 2009 de Sport interuniversitaire canadien.

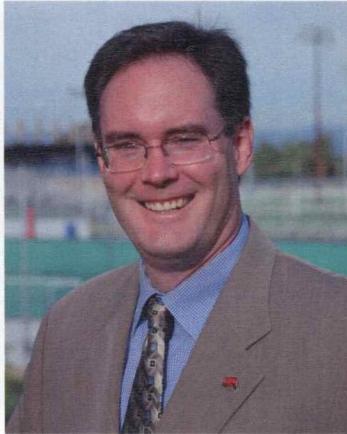

Nos athlètes universitaires sont une source d'inspiration pour tous les Canadiens. Il leur faut beaucoup de persévérance et de discipline pour conjuguer sport de haut niveau et études postsecondaires. Ce championnat est une excellente occasion pour nos meilleures athlètes universitaires de montrer la détermination et la passion qui les animent, et de déployer leur talent dans le cadre d'une compétition. Leur quête d'excellence leur servira toute leur vie durant, en plus d'assurer un bel avenir au milieu canadien du rugby.

À titre de ministre d'État (Sports), je félicite Sport interuniversitaire canadien du rôle prépondérant qu'il joue dans le milieu sportif universitaire au Canada. Merci à l'Université de British Columbia qui accueille cette prestigieuse rencontre. Félicitations à toutes ces jeunes athlètes qui ne ménagent aucun effort pour atteindre leurs objectifs, tant dans leurs études que dans le sport.

**Bonne chance à toutes!**

## CIS PRESIDENT'S MESSAGE

I am honoured to have the opportunity, on behalf of Canadian Interuniversity Sport and all 52 of our member universities, to welcome you to the 2009 CIS Women's Rugby Championship.

Over 10,000 student athletes compete each year for the right to represent their university in one of the 18 CIS Championships. We congratulate you on attaining this goal. We also thank each of you for the excitement you have provided us during the season and which I know you will provide to all of us during the course of these championships. It is our reward to watch you compete with such courage, dedication and talent.

CIS championships would not be possible without the considerable time and effort devoted to them by our host committees and institutions. CIS success depends heavily on volunteers who invest innumerable hours, talents and skills in preparing a championship event. CIS championships also allow the opportunity for alumni, parents, faculty, staff, students and our CIS corporate partners to share some time together and enjoy the competition. I welcome all of you and thank you for your support.

I wish for each of you an outstanding performance that you can take pride in. I know that all of you will take home warm memories and new friendships and will be richer for the experience you have gained through your efforts.

Let the celebration of excellence begin!

C'est pour moi un honneur de pouvoir, au nom de Sport interuniversitaire canadien et de ses 52 universités membres, de vous souhaiter la bienvenue au Championnat canadien 2009 de rugby féminin de SIC.

Vous êtes plus de 10000 étudiants et étudiantes athlètes au Canada, qui aspirent chaque année pouvoir représenter leur université à l'un ou l'autre des 18 championnats universitaires canadiens. Nous vous félicitons d'avoir atteint cet objectif exigeant. Nous voulons aussi vous remercier de vos efforts, qui tout au long de la saison et durant ce championnat, nous permettent d'apprécier des performances sportives de haut niveau. Il est stimulant de constater votre détermination, votre courage et votre talent.

Les championnats de SIC se réalisent grâce à l'investissement important en temps et en énergie des comités organisateurs et des universités d'accueil. Ces événements peuvent se concrétiser qu'avec l'apport généreux de nombreux bénévoles. Les championnats nationaux mobilisent les parents, les anciens et anciennes, le personnel, les étudiants et étudiantes et les partenaires d'affaires de SIC autour d'un événement où passion et plaisir s'harmonisent. Nous les remercions et leur souhaitons la plus cordiale bienvenue.

Je souhaite à tous et à toutes de connaître un championnat dont vous serez fiers. Vous avez l'occasion de vivre une expérience unique, qui va sans doute vous enrichir de nouvelles amitiés et d'inoubliables souvenirs. Une belle récompense pour vos sacrifices et vos efforts soutenus depuis plusieurs années.

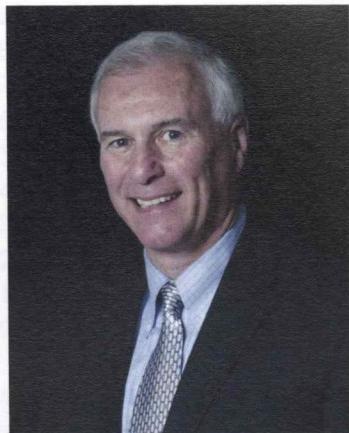

Que la fête de l'excellence débute !

## 2009 CIS AWARD WINNERS

### Rookie of the Year Hughanna Gaw, Concordia

Hughanna Gaw came to the Concordia Stingers after an outstanding career at John Abbott College where she was three-time MVP of her team. A member of Canada's U20 team, Gaw had an immediate impact with the Stingers this season earning QSSF all-star status. She scored a pair of tries during her first season while leading the Stingers in tackles. "Her play this year has been phenomenal for a rookie," said Concordia head coach Graeme McGravie. "She is very versatile, mobile and agile along with having great field vision. We've asked her to assume a lot of responsibility on the pitch, and she has embraced this role and excelled at it. Defensively she is a beast - she hits everyone. I expect big things from her at this level. I think she has the ability to play for Team Canada."

### Student-Athlete Community Service Award Frances Bajdik-Bova, Bishop's

Frances Bajdik-Bova, a fourth-year centre with the Bishop's Gaiters, is involved in a plethora of community activities that literally span the globe. She is the President of Big Buddies, an organization that matches Bishop's students with Lennoxville youth, and is a Best Buddies volunteer, working with people in the Lennoxville area with an intellectual or developmental disability. She spent last winter on exchange in South Africa where she taught children ranging in age from 7-18 at Amassango, a school for street children and children who are "intrinsically disadvantaged". After her school term finished, Bajdik-Bova went to Uganda, where she worked at the Sabino Home Orphanage, and volunteer-taught eight classes at a rural school. Since returning from Africa she has devoted her time helping raise funds to send more children to school in Uganda. "Frances is a leader in the Bishop's community. On and off the field she puts people first and challenges those around her to do the same," said Bishop's head coach Eryn Hessian. "Her contributions have been, in short, exceptional."

### Player of the Year Ashley Patzer, Lethbridge

Ashley Patzer, the fifth-year team captain of the two-time defending CIS Champion Lethbridge Pronghorns, claims her second CIS Player of the Year Award, adding to a resume that already includes team CIS triumphs in 2007 and 2008, 2008 CIS national tournament MVP award, 2006 CIS Player of the Year, 2005 CIS Rookie of the Year, four selections as a CWUAA All-Star and three CIS All-Canadian nominations. Lethbridge head coach Neil Langevin had this to say about the Team Canada and Team Canada Sevens member: "Ashley has reinforced her reputation as an all-round phenom. To call her dynamic would be an understatement. She has continued to be an inspirational leader for her teammates and has developed to be one of the top players in the world."

### Coach of the Year Neil Langevin, Lethbridge

Neil Langevin has been the only head coach in the ten-year old Lethbridge Pronghorns' history and over that decade he has turned the Alberta school into a national power. The 'Horns come into this year's CIS Championship as two-time defending CIS champions and have won four straight Canada West titles. This season, the Horns went a perfect 4-0 in conference action, outscoring their opponents 217-7 and in the conference championships they notched two straight shutouts en route to the title. Langevin, who has also coached the Canadian Women's Senior National Team, has led the 'Horns to four medals at the CIS tournament. "Neil has done a wonderful job building a program that we are very proud of," said Sandy Slavin, Lethbridge's Executive Director of Sport and Recreation. "Neil and his staff have worked tirelessly over the ten years, building a championship calibre team from scratch."
